

Keystone Futurity 2009 Pattern

- 1) Will be set up in Draft Horse Show Ring.
- 2) Exhibitors will wait in the Light Horse Ring.
- 3) Exhibitor will enter the Draft Horse ring from the Light Horse Ring through the gate which connects the two rings.
- 4) Enter the ring at a walk. Once in the ring, immediately go into a trot to the line.
- 5) Stop at the line. Stand 15 seconds. Back up at least 3 steps. Proceed at a walk to the bridge. After completing the bridge, gait through the rest of the course is optional.
- 6) After completing the bridge, continue to the Keyhole. Enter the Keyhole, place the left wheel of your cart on the Keyhole, "Ha" a right angle, then proceed to leave the keyhole keeping the left wheel of the cart on the slot of the Keyhole.
- 7) After the Keyhole is completed, enter the "Enter/Back out" obstacle.
- 8) After you have "Backed out" proceed to the Cones. You will complete the Cones in both directions.
- 9) Upon completion of the Cones, go to the line, and wait to be excused.
- 10) You and your horse have completed all three (3) aspects of the competition. You may now go to the photo area for an optional cart photo OR return to your stall area and unharness your horse.
- 11) When all exhibitors have completed the Pattern, we will call you to return to the Light Horse Show Ring with your horse at halter.
